

## Birding Tours Worldwide

### Cumulative Checklist – Ecuador: Mindo & the Northwest Andes II

Column A = number of tours **out of eleven** on which this species has been recorded

Column B = number of days this species was seen on the **June 2022** tour

Column C = maximum daily count for this species on the **June 2022** tour

Column D = H = heard but not seen, (H) = mostly heard but seen at least once

| <u>A</u> |                           | <u>B</u> | <u>C</u> | <u>D</u> |                                       |
|----------|---------------------------|----------|----------|----------|---------------------------------------|
| 9        | Little Tinamou            | 0        | 0        |          | <i>Crypturellus soui</i>              |
